

ARTON CAPITAL

FDI SERIES

Attracting Foreign Direct Investment and enhancing Security and Transparency: Strategies for Europe

ROUND TABLE

WHEN
MONDAY, NOVEMBER 30, 2015
15:00-18:00

WHERE
RADISSON BLU, 4 PARLIAMENT SQUARE
SOFIA, BULGARIA

OVERVIEW

This event, the first in a series of planned regional round tables, will explore the link between attracting and sustaining various forms of foreign direct investment, and ensuring the conditions are ripe to derive the greatest economic and societal benefits from FDI objectives. As countries in Europe look towards diversifying their FDI strategies, issues around security, transparency and governance are critical to address.

KEY DIMENSIONS

- Opportunities for Bulgaria and the region
- Influence of US and EU related policy and regulation
- Security and transparency - challenges and opportunities for addressing a shifting landscape.
